

HomeBridge Youth Society Case Management Coordinator

Honoured with the Chuck Lake Distinguished Service Award

Youth, Employees and Board members of HomeBridge Youth Society would like to congratulate Case Management Coordinator, Patsy Thompson, MA (CYS) BCS for being honoured by the Nova Scotia Council for the Family with the Chuck Lake Distinguished Service Award.

The Chuck Lake award is given to an individual who has demonstrated a commitment to high standards, who gives his/her best efforts to every task, and who is respected for his/her competency. The award is named in honour of Chuck Lake whose fine personal qualities – tact, acceptance, energy, creativity, sense of humour and positive approach to life – have so enriched his colleagues. This award is given to an individual whose contribution has been to strengthen the Nova Scotia Council for the Family and Patsy Thompson has certainly done that.

As the HomeBridge representative on the Youth-in-Care Committee, Patsy has taken a leadership role in planning both the Annual Youth Achievement Awards and In the Loop. Both of these events celebrate the accomplishments of youth-in-care and create opportunities for a brighter future.

Established in 1977, HomeBridge is a non-profit, charitable organization that provides residential care, therapeutic programming and educational support for at-risk youth in Nova Scotia.

HomeBridge operates six residential care facilities and a school in the Halifax Regional Municipality, serving youth between 12 and 18 years of age, in the care of the Minister of Community Services. Our Programs include: Hawthorne House, Johnson House, Jubien House, Sullivan House, Cogswell House, the Reigh Allen Centre, Bridges for Learning and the Expressions Program of the Arts.

It is our vision that all youth and their families are living in Health, Safety and Harmony.
